2023 GOLF TOURNAMENT

Life Options Clinic is a non-profit, volunteer organization. As a support system for women, men, and their families, we are committed to providing each of our clients with support, resources, and information. We also encourage community support by working with other agencies to meet the physical and emotional needs of the mother, father, and child(ren).

At Life Options Clinic, our client advocates care deeply about the women and men we encounter each and every day through our services. Those CONFIDENTIAL services include pregnancy tests, ultrasounds, individual and group support, STI testing and treatment, life skills classes, and a baby boutique, as well as support and guidance. With clinics in both Milton and Century, we are able to expand our impact and services to more individuals.

Our well-trained staff and volunteers will always respond in love and grace, never with an attitude or demeanor of judgment. Each person, who serves on our team, does so because they care about women and their families.

Our services are **free of charge** to anyone regardless of age, race, religion, marital status, or income.
