CLINIC

Life Options Clinic is a non-profit, volunteer organization. As a support system for women, men, and their families, we are committed to providing each of our clients with support, resources, and information. Life Options Clinic also encourages community support by working with other agencies to meet the physical and emotional needs of the mother, father, and child, or children.

Our client advocates care deeply about the women and men we encounter each and every day through our services at the clinic. Those CONFIDENTIAL services include pregnancy tests, ultrasounds, individual and group support, life skills classes, STI testing and treatment, and a baby boutique, as well as support and guidance.

Our well-trained staff and volunteers will always respond in love and grace, never with an attitude or demeanor of judgment. Each person, who serves on our team, does so because they care about women and their families.

Our services are FREE of charge to anyone regardless of age, race, religion, marital status, or income. More info about our services can be found on our client website at lifeoptionsclinic.org. To get involved, check out our donor website at friendsoflifeoptionsclinic.org.
